“The Gift”
Mark 12:35-44

Jesus is *God's* Gift.
Mark 12:35-37

The Messiah is really *God's Son*.

Jesus is God's gift to the *World*.

God gave the *Best* gift possible.

Response #1: *Takers* can never
get enough.
Mark 12:38-40

Takers are in it for *Themselves*.

Takers always want *More* from God.

Takers don't *Appreciate* God's gift.

Response #2: *Givers* can never
give enough.
Mark 12:41-44

Givers are in it for *Others*.

Givers always feel that God has
Given them *Too Much*.

Givers are *Grateful* for God's gift.

Question: Are You Living a Generous Life?

- Are you living for something other than yourself?
- Are you generously giving to others?
- Are you living a life of appreciation for what God has given you?
- Are you saying "thank you" more than you're saying "give me more"?
