Discussion Questions: (For Personal or Growth Group discussion.)

1. Which of “questions” do you think is worse?
2. What are some other miracles of multiplication that you see God doing within our world today? (Think about church growth, missions, people’s lives, etc.)?
3. Easter is all about Miracles and New Life. What might God have you do in order to allow Him to do a miracle within someone you know? What is your role in Miracle of New Life?
