God Designed You Perfectly

1. Have You Discovered the

“*New You*” ?

-Strengths – Unique components of your *Personality* that God placed in you to help you succeed.

-Passions – *Desires* that are revealed when you fall in love with God and what He wants to do in the world.

2. The “Real You” can be *Unleashed* in the Church!

1 Corinthians 12:12-27

-You may feel *Limited* at work or even at home but in the Church you can be unleashed to accomplish amazing things for God.

-*Weakness Prevention* does not work,
Building on your strengths will unleash your full potential.

-Living in your strengths means discovering how God designed you, and *Embracing* that design.

3. When the “Real You” becomes the
“Real Us” the World is *Changed* !

John 17

-Jesus prayed in John 17 that we his people would be
United around His mission.

- If you have not discovered your place in God’s work you are
missing out on the life God wants you to have in Him.

-Do you feel like your walk with God is not what you want it to be?
Are you serving to advance God’s Kingdom?

*Ministry will not be convenient,
it will require sacrifice, it will mean
giving of yourself, it will be rewarded
at the highest level in this life
and the next!*

Discussion Questions: (For Personal or Growth Group discussion.)

1. What is something you are very good at and where do you get to use that skill or talent?

2. Do you know what part of the “Body of Christ” you are? How might knowing what your spiritual gifts are help you understand your part?
